

DENSISURE

THE SURE SOLUTION FOR
FLOOR DENSIFICATION.

Our Company

Abhinav Infrabuild Pvt. Ltd., the construction wing of the Sureka group of companies based at Indore, Madhya Pradesh established SureFloors in the year 2019 to cater to the growing needs of specialized industrial floors and have delivered millions of squarefeet of floors in record breaking timelines and with very high accuracy.

DensiSure is our floor densification and polishing solution for Industrial, warehouse and commercial building floors.

ENSISURE

SEALS THE CONCRETE

CURES THE CONCRETE

WE GET

DUST PROOF
FLOORS

ABRASION
RESISTANT FLOORS

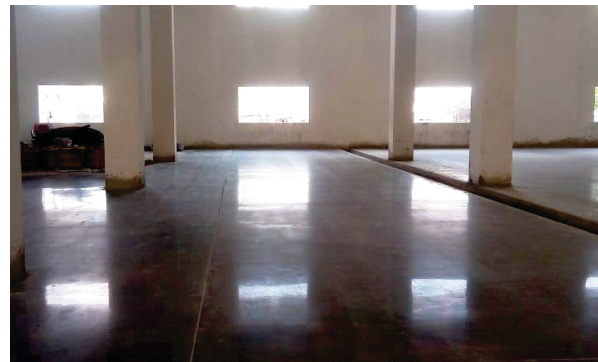

MAINTENANCE FREE
FLOORS

Advantages of Densisure

- Surface gets hardened with chemical reaction and pores of the concrete get sealed over a period of time.
- As the surface becomes hard the Abrasion Resistance improves.
- Elimination of re coatings.
- Floors become smooth and durable.
- Floors become dustproof.
- There are a variety of finishes available depending on the requirement of the project.
- The floor surface becomes resilient to scratches.
- Densisure helps rejuvenate old floors

DENSISURE ADDS CHARACTER TO FLOORS
